1. The Future of Direct Revenue

Globally, hotels are searching for solutions to improve sales through their direct channels along with guest experience. With a majority of people booking hotels online, technology has become the ultimate disruptor where hoteliers need to align their strategy to compete fairly. Through this roundtable, Alexander will share insights on the landscape of direct revenue and guest engagement by using smart technology.

Alexander ten Hoedt, Market Leader in Hotel Website Personalization, Hotelchamp

2. Channel Optimisation – Finding the right channel mix to drive future revenue.

Join us for a discussion on how to effectively optimise your channels to maximise revenue.

Nadine Holly, Business Development Manager, OTA Insight

3. How to identify the “sweet spots” of maximizing ancillary revenues throughout the life cycle of your guests, without nickel-and-diming them.

Incremental Revenues. We all want them, right? We all know our hotels have plenty of opportunities. But at what point is the guest most likely to pay up? Do we know what they are buying? At what point do you present additional offers to your guests?

Are they unique and are all hotel departments involved in this process? What channels are we using to communicate with our guests? Do they work?

All questions every hotelier should ask themselves. Do you?

Darko Bosancic, Regional Director,
Business Development- EMEA at Nor1

4. Shifting revenue share from OTA to direct – Strategies to increase direct bookings

Even shifting just a few rooms per day from OTA bookings to direct bookings can make a big impact to your hotel's profits. But how can hotels implement a successful direct booking strategy? There is more to it than simply setting up a hotel website. In this roundtable, we'll talk about key strategies that hotels need to know to boost direct bookings. Specifically, we'll cover website and booking engine optimization, and how to use the same tactics that OTAs use on their own websites to increase bookings. We'll also discuss how digital marketing plays an important role in the sales cycle and how to use it to direct traffic to your own site instead of OTA sites.

John Power, VP of EMEA Sales at Travel Tripper
